

# MORE INSPIRATION. GREATER BEAUTY.

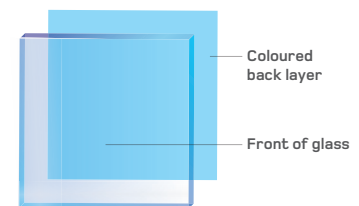

Add creative expression with a whole new level of design freedom for almost any application. The possibilities are endless with Metro's Decorative Glass range.

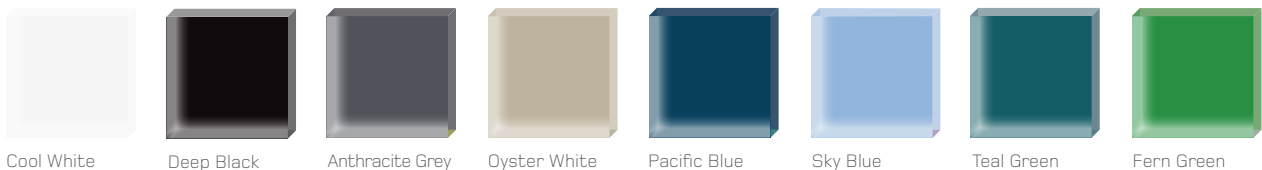

Colourbak is glass painted with colour for lasting vibrancy and to create a feature in any interior. Versatile Colourbak glass allows you to create designer kitchen, cupboard doors, bathroom and wall linings, shop fit outs, and much more.

Colorbak can be used as easy to clean and maintain surface, to brighten and complement modern decors. Glass' reflective nature can also add depth to a smaller room, or the play of dark colours that are reflective.

Our Colourbak Express range is made of the following 8 colours:

## Express Range

Custom colours are also available. We can match most common paint colours if you have something specific in mind. Talk to our customer services team for more details.

Colour reproduction is as accurate as current printing methods allow. Please refer to ColourBak glass samples before making your choice. For metallic colours please refer to glass samples.

Colourbak Express can be used both in internal and external applications. Colourbak is not recommended for backlit installations. Colourbak custom colours are for interior use only.
